Everyone has a story.  
Some are cancer patients, some survivors.  
Some are doing it for family or friends.  
Some are just doing it.

On August 1 and 2, 2009 over 5,000 cyclists will travel eight different routes, logging between 70 and 192 miles over one or two days, through 46 scenic Massachusetts towns.

The Pan-Massachusetts Challenge raises money for life-saving cancer research and treatment at the Dana Farber Cancer Institute through its Jimmy Fund. In 2008, the PMC raised \$35 million. To date, the PMC has raised nearly \$240 million. It is the largest single contributor to the Jimmy Fund, bringing in nearly 50 percent of its annual revenue. *In 2008, 100 percent of all funds raised by PMC riders went directly to the Jimmy Fund. Not one cent of each dollar raised was used for administrative and organizational expenses.*
